

Overview

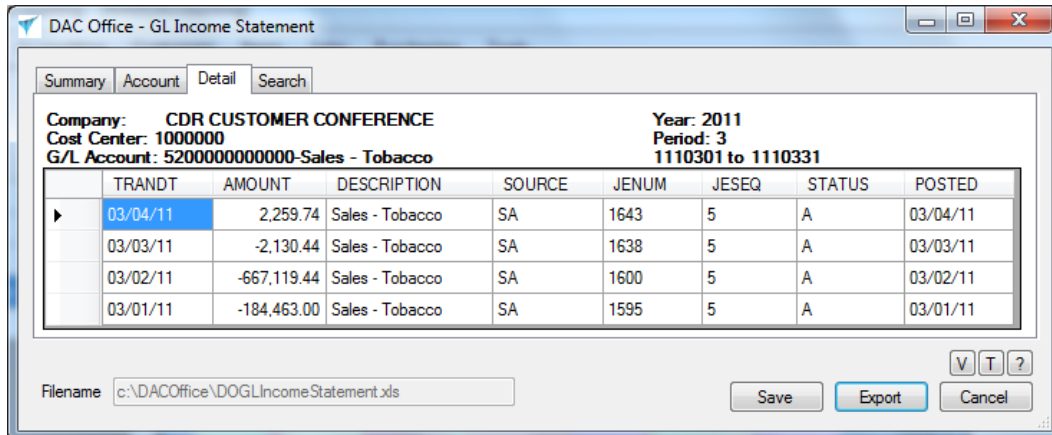

An Income Statement shows a company's financial performance over a period of time. Total Income represents the amount of money that comes from sales and services and Total Expense represents the amount of expense charged against those sales and services. Income less expense shows what the profit or loss for the period. Click on the blue links under the PTD column to see the accounts that make up the Income or Expense total.

Click on an account in the grid to view the Journal Entry detail supporting that account. Only accounts with an amount in the period to date (PTD) column will have supporting detail.

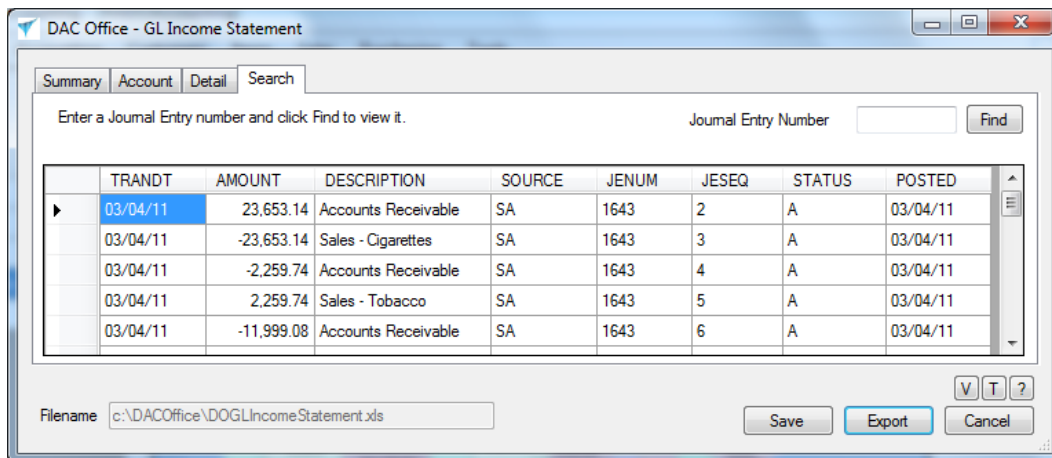

DAC Office G/L Income Statement

Save to "C:\DACOffice\Training"

Click on a Journal Entry in the grid to view both sides of the Journal Entry.

On the Search tab, you can also enter a Journal Entry Number in the space provided to review the details of it.

Click the Export button to create an income statement in Excel.
